

The Saranac Lake Fish & Game Club thanks all the sponsors of the 40th Anniversary of the **COLBY CLASSIC ICE FISHING DERBY.**

The many donations of prizes for the derby entrants made this family fun event an overwhelming success!

Fisher on Lake Colby Early Sunday Morning
March 3, 2024

The support allows the Club to continue to offer Campership programs for youth. In addition, the Club utilizes New York State certified instructors in offering training, education and safety courses in gun, archery, trapping & snowmobile operation to the public.

The financial support received for the Colby Classic will allow the Club to advance our main goal of conservation of our forest, the propagation, distribution & protection of game, wild fowl, birds & fish.
